we're happy you're here!

BIG NEWS!

BIG LAKE UPDATE

We are thrilled to announce that RTL Equipment is now a Kobelco Dealer! We will now be able to provide a wide range of Kobelco Excavators from the SK17SR mini-excavator to the SK520LC-11.

The Kobelco lineup of machines are ideal for various applications in the construction, forestry, aggregate, auto-dismantling, and demolition sectors.

In Kobelco's press release they stated, "Together, Kobelco and RTL Equipment will provide customers with quality crawler cranes and crawler excavators with added value features along with superior customer service." We are excited to provide another powerful brand to our lineup to help serve you!

HUNGRY FOR KNOWLEDGE

GROWING THROUGH INDUSTRY EVENTS

At RTL, we believe that staying ahead means staying informed. That's why we've been hitting the road, attending some of the industry's top trade shows and conventions to expand our knowledge, connect with experts, and bring fresh insights back to our team.

Over the past few months, we've had the opportunity to attend Northern Green Saint Paul RiverCentre, the Associated General Contractors of Minnesota Summit, and the Iowa Limestone Producers Association's 80th Annual Convention, along with Minnesota Asphalt Pavement Association's Conference and Trade Show (top right photo.)

These events have given us valuable insight into the latest industry trends, new technologies, and best practices that will help us continue to serve our customers with excellence.

As a company that values teamwork and continuous growth, we're excited to bring these lessons back to our team and put them into action. Whether it's finding more efficient ways to work, staying ahead of the industry changes, or simply strengthening our connections with partners and customers, we're committed to building a better future together.
